1. RPD has advised OS that PAO has made the following three suggestions to the referenced subject (attachment A) as follows:

- ° The reference line should include [] and exclude [] (Attachment B)
- ° New paragraph 3 should read, "For further guidance regarding the prepublication review process see [] and for additional information regarding the appearance of Agency employees speaking before non U.S. Government groups refer to []"
- ° Number the existing paragraph 3 to 4.
- ° EAB should only be a redirect to PAO if new paragraph 3 is included in matters relating to the media.

2. As indicated in the basic, PAO had no comment when this notice was sent to them prior to submission to RPD. [] PAO, apologized for this oversight.

3. It is recommended that these suggestions be accepted. PAO has legitimate concern regarding their equities even though their timing is off.
